

Experience MATTERS Jenkins & Wynne

REAL EXPERIENCE

My Mustang Story

I am under 30. I am a runner and tri-athlete. I am a wife, mother, daughter, sister, friend, and child of God. I am also a third generation Ford Lincoln Mercury Honda Dealer and proud employee of Jenkins & Wynne. Never have I been more proud of our world class employees and world class products!

My love for vehicles started when I drove my brand new shiny steel blue 1996 Ford Mustang. I will never forget the feeling of buckling up and taking a spin for my first time. The smooth exterior curves, soft cloth interior, the strong handling, the sense of protection, the way the seats seemed to be made just for me, the 'mine' of my Mustang will forever bring great memories to mind. I grew up in my Mustang as it 'drove' me through high school and college.

I have the great opportunity to be around vehicles everyday... but every time I buy a different one at Jenkins & Wynne, the experience is still just as special and memorable as my first one.
