

Experience MATTERS

Jenkins & Wynne

FAMILY TRADITION

...our customers know it matters

As a young married couple, Suzy and Mike Hopkins walked through the cars at Jenkins & Wynne and dreamed of owning their first brand new vehicle. Suzy remembered her excitement during childhood whenever her dad would return from Jenkins & Wynne with a new car. In 1998, Suzy and Mike experienced the joy of a new vehicle of their own when they bought a Ford F150. Through the following years, their children explored the newest family vehicles with the same sense of wonder Suzy felt as a child. Seven vehicle purchases later, the Hopkins are still excited to be part of the Jenkins & Wynne family tradition.

We're proud to serve loyal customers like Suzy and Mike, and now their children. Come by the dealership and let us show you that "experience matters" and that it's what YOU experience as our customer that matters most.
